relevance in the electronic ASRC Archive (archive.asrc.net), and indexing them. The Archivist shall report to the Secretary.

- a. Protection of Documents** – The Archive shall be open access except for those that are considered sensitive. The Archivist, the ASRC Chair, the ASRC Board of Directors, or the ASRC Membership may classify documents as sensitive as per the classification below. XXXX is the name of the document, and again inspecting the Archive should provide a pattern for naming similar documents. For examples, the minutes from the 2014 ASRC General Membership Meeting and subsequent Board of Directors meeting are named as:

**2014-06-01-ASRC-AGM-Minutes.pdf**

**2014-06-01-ASRC-BOD-Minutes.pdf**

2. **36 Month Review** Each Group, after having attained certification, is expected to pass a review at a minimum of every 36 months, as outlined in the ASRC Operations Manual and the ASRC Bylaws, Article III, Section 3.2.3. Failure to comply with the documented procedures may result in the Group being placed on probation, reduced to a Probationary Group, or being decertified. Members of groups which have been decertified will not be authorized to participate in ASRC Operations. Members of Groups which have been decertified may apply for membership in other ASRC Certified Groups to regain their ASRC membership.
3. Six months prior to the expiration of the 36 month review period, the ASRC Operations Officer will provide written notice advising the Group Chairman of the impending review.

## D. ASRC BOARD INTERVENTION

The ASRC Board of Directors reserves the right to intervene in Group policy and operations in the case of major transgressions of ASRC policies, procedures, or Board Directives as outlined in the ASRC Bylaws, Article III, Section 3.4.

## E. GROUP ROSTERS

Each Group is expected to remit Group rosters to the ASRC as outlined below:

1. **Purpose** – Rosters are utilized for a variety of reasons, including: member contact, tracking member certification/skill levels, ASRC annual dues assessment, identification of Group Officer appointments and identification of ASRC BOD Representative appointments.
2. **Submission Requirements** – All ASRC Groups (certified and probationary) shall submit annual Group rosters during the fourth quarter of each year. Group rosters should be submitted to the ASRC Secretary. The ASRC Secretary is authorized to request updated rosters from Group leadership throughout the year in order to effectively carry-out the administrative activities of the Conference.
3. **Fourth Quarter Rosters** – Group rosters submitted during the fourth quarter each (calendar) year will be utilized by the ASRC Treasurer to calculate the Group's annual dues invoice. These rosters will also be utilized by the Board of Directors annually to assess each Group's compliance with basic group requirements as outlined in the ASRC Bylaws Article III, Section 3. Groups that fail to provide 4th quarter rosters requested formally by the ASRC Secretary, will be invoiced for ASRC annual dues based upon the last Group roster in the custody of the ASRC Secretary at the time the ASRC Treasurer issues annual, conference-wide dues invoices.
4. **Changes** – Groups are asked to submit updated rosters more than once each year, if membership changes have occurred that impact the number of Search Managers, FTM's, FTL's or CQ's within the Group and/or if new Group Officers or new ASRC Board of Director Representatives are appointed. Changes shall be reported to the ASRC Secretary within 40 days of the time the changes are effective (ASRC Bylaws, Article II, Section 1.4).
5. **Roster Content** - Group rosters should contain the following information for each Group member:
  - a. last name
  - b. first name

## IV. Membership Administrative Policies

### A. POLICIES FOR MEMBERS

Upon becoming a member of the ASRC, an individual commits to the following expectations:

1. Abide by ASRC operational constraints and regulations as defined in Article II of the ASRC Bylaws, ASRC Operations Manual, ASRC Training Standards and this ASRC Administrative Manual;
2. Abide by local administrative constraints and regulations as defined by the individual's Group procedures and policies;
3. Submit to a background check, as requested. [The ASRC recommends a standard background investigation level of Criminal Justice Information System (CJIS) or Federal Bureau of Investigation (FBI)];
4. Membership in the ASRC does not provide any special immunity from any local, state, or federal laws.
5. ASRC personnel are also members of Groups. In order for members to participate in ASRC Operations, they must, at the time of a mission, hold membership in a Group.
6. Any member may choose not to comply with these requirements, with the understanding that the member may then be restricted from participating in ASRC activities, search incidents and missions.

4. Sustaining Members of individual groups shall be subject to the same rules as ASRC Sustaining Members.
5. Groups shall not consider Group Sustaining Members when counting members for the purpose of paying ASRC dues. Groups may set Group dues for Sustaining Members.

### B. POLICIES FOR SUSTAINING MEMBERS

The ASRC as a whole, and its constituent Groups, shall have the authority to offer sustaining membership to individuals who desire such membership (ASRC Bylaws, Article II, Section 5).

1. Sustaining Members may not respond to missions.
2. ASRC Sustaining Members shall have no vote in ASRC Board of Directors meetings or General Membership meetings, but may be recognized by the ASRC Chair at such meetings.
3. Annual dues for ASRC Sustaining Members shall be set by the Board of Directors.

## V. ASRC Medical Administrative Structure

### A. GROUP MEDICAL DIRECTORS

The Conference strongly recommends that all member Groups appoint a Group Medical Director.

1. If a Group appoints a Medical Director, said Medical Director should be:
  - a. licensed by at least one US state or territory as a physician or osteopathic physician, but this need not be the state in which the majority of the Group's members live, or the state in which the Group's official address lies;
  - b. an Active Member of the ASRC, and a member of the Group for which the physician provides medical direction; CQ certification or higher is strongly recommended, but is not required;
2. A Group Medical Director may serve as the Medical Director of more than one Group.
3. Medical Directors shall become non-voting ex-officio members of the ASRC Medical Advisory Committee, and may be appointed to a voting membership in the Committee by the Board of Directors, and serve in this capacity at the pleasure of the Board of Directors.
4. Group Medical Directors shall:
  - a. represent the first aid and medical interests of the Group to the ASRC Medical Advisory Committee;
  - b. monitor and oversee any first aid and medical care provided by members of the Group, and work to ensure that such care is of the highest quality possible, and whenever possible, in accordance with the ASRC Medical Committee's first aid and BLS protocols and other written recommendations; and
  - c. provide other services as required by the Group or state licensing bodies.

### B. MEDICAL ADVISORY COMMITTEE

#### 1. BACKGROUND:

- a. Best practices for first aid, EMS and medical care during search and rescue operations differs significantly from that on the street. Although the underlying principles are the same, the search and rescue context requires different decision-making and sometimes different treatment.
- b. For both Groups and individual members, having formal expert advice on best practices for modification of "street" protocols protects against malpractice claims, criminal charges, and revocation of a state license or certification. Although the likelihood of such legal complications is low, it is prudent to protect against the as best we can. An example would be a recommended best practice of attempting to reduce shoulder dislocations in the field at the wilderness first aid level and above.
- c. For example, assume a member "violates" street protocols by attempting to reduce a shoulder dislocation in the field, but is unsuccessful.
  - (1) The patient might file a malpractice action against both member and Group for the member causing additional pain and suffering while violating standard "street" first aid and EMS protocols.
  - (2) The state might press criminal charges for the member practicing medicine without a license while violating standard "street" first aid and EMS protocols.
  - (3) If the member holds a First Responder or EMT certification, the state EMS agency might threaten to revoke the member's certification for violating standard "street" first aid and EMS protocols.
- d. Expert advice on such best practices will carry the most weight in court if it comes from a committee of search and rescue physicians, as opposed to a group that is mostly non-physician. Thus, the ASRC has established a Medical Advisory Committee as well as a Medical Committee.

**2. MEMBERSHIP**

Members of the Medical Advisory Committee shall be appointed by the Board of Directors, using the following criteria, and shall serve at the pleasure of the Board of Directors without terms or term limits:

- a. candidates for the Medical Advisory Committee must be licensed by at least one US state or territory as a physician or osteopathic physician;
- b. candidates for the Medical Advisory Committee must have achieved, but are not required to maintain, CQ; or an equivalent level of credentialing in a subsequent version of the Training Standards of the Appalachian Search and Rescue Conference;”;
- c. the Board of Directors shall show preference for candidates who have achieved Field Team Member or higher ASRC certification;
- d. the Board of Directors shall show preference to physicians or osteopathic physicians who serve as Medical Director of an ASRC Group.

**3. CHAIR**

The Board of Directors shall select a member of the Medical Advisory Committee to serve as chair, who shall serve at the pleasure of the Board of Directors, without terms or term limits. For any external relations requiring the signature or assent of a single ASRC “Medical Director,” the Chair of the Medical Advisory Committee shall serve this function.

**4. MEETINGS**

Meetings of the Medical Advisory Committee shall be at the discretion of the Committee. Committee business may be conducted by email or other electronic means at the discretion of the Committee. Records of all votes,

with relevant prior discussion, and all formal meetings, shall be filed with the conference Secretary and placed in the ASRC Archive.

**5. DUTIES:**

- a. With the advice of the Medical Committee, develop and maintain a set of wilderness protocols, at both first aid and BLS levels, that are available to Groups to adopt if they so desire. When possible, these protocols should be evidence-based, and if that is not possible, protocols should in line with accepted standards of care, such as those promulgated by the Wilderness Medical Society.
- b. In concert with the Medical Committee, work with state EMS offices, and in particular with state EMS Medical Directors, for the states in which the ASRC operates, to harmonize state wilderness EMS protocols across the states in which the ASRC operates.
- c. Work with Group Medical Directors and the ASRC Medical Committee to harmonize advanced medical care provided by those Groups that provide such care.
- d. Work with Group Medical Directors and the ASRC Medical Committee to develop and harmonize credentialing across the ASRC for Groups that provide advanced care.
- e. Work with the ASRC Medical Committee to develop, maintain and improve a system of medical and first aid reporting that is suitable for the field yet provides adequate information for quality improvement efforts.
- f. Review all first aid and medical care provided by the ASRC, with an eye to improvement in the quality of care.
- g. As appropriate, make formal written recommendations for improving first aid or medical care to the Medical Directors of ASRC Groups, or to the entire ASRC membership, via the Group Medical Directors.
- h. Complete other tasks assigned by the ASRC Board of Directors.

- d. The Chair may remove members from Medical Committee with the advice and consent of the current Medical Committee membership.

### 2. CHAIR

### 4. MEETINGS

Meetings of the Medical Committee shall be at the discretion of the Committee. Committee business may be conducted by email or other electronic means at the discretion of the Committee. Records of all votes, with relevant prior discussion, and all formal meetings, shall be filed with the conference Secretary and placed in the ASRC Archive.

### 5. DUTIES

- a. Assist the Medical Advisory Committee to develop and maintain a set of wilderness protocols, at both first aid and BLS levels,
- b. In concert with the Medical Advisory Committee, work with state EMS offices, and in particular with state EMS Medical Directors, for the states in which the ASRC operates, to harmonize state wilderness EMS protocols across the states in which the ASRC operates.
- c. Work with Group Medical Directors and the ASRC Medical Advisory Committee to harmonize advanced medical care provided by those Groups that provide such care.
- d. Work with Group Medical Directors and the ASRC Medical Advisory Committee to develop and harmonize credentialing across the ASRC for Groups that provide advanced care.
- e. Develop, monitor and maintain a system for obtaining, compiling and securely archiving Group medical reports, analyzing them for patterns, and forwarding them to the Medical Advisory Committee for expert review.

- g. Assist the Conference Operations Officer by making recommendations as to recommended team medical equipment, and lists of medical equipment required of ASRC Groups for certification.

- h. Monitor developments in wilderness first aid, EMS and wilderness medicine, provide relevant information on such developments to the Groups as appropriate, and make recommendations to the Medical Advisory Committee for new formal recommendations as appropriate.
- i. Perform other duties as assigned by the Chair of the ASRC Board of Directors.

## VI. ASRC Years-of-Service Award

### A. RATIONALE

Volunteer organizations pay their members, not with money, but with job satisfaction and recognition of service. For those who have provided exceptional service, we have ASRC Fellowship. But service that doesn't rise to this level still deserves to be recognized. Thus, sometime around 1990, the ASRC established the Years-of-Service Award. The practice was first documented in the Admin Manual in 2017.

### B. CRITERIA

The ASRC shall award a Years-of-Service Award to any member of the ASRC who has served for five years, and for increments of five additional years: 5-year-awards, 10-year awards, 15-year awards, and so on in increments of 5 years. This shall be calculated by year rather than day or month: for example, a member who joined at the ASRC's inception in 1974 would have been eligible for a 5-year award at the ASRC General Membership Meeting (AGM) in 1979, and a 10-year award at the AGM in 1984. The years are counted from the year that member's Group was granted probationary ASRC membership.

1. These years need not be served continuously; a member who leaves and then rejoins may total the years. These shall be counted by year. A member who leaves the ASRC in 2016 and rejoins in 2017 shall be treated as having not left the ASRC. A member who leaves in 2016 and rejoins in 2018 shall be considered to have lost one year.
2. Members whose Groups leave the ASRC, or cease functioning, shall be considered to have left the ASRC.
3. ASRC Fellows who are not members of a Group shall be considered for Years-of-Service Awards as if the Fellow were an ASRC member. The year of election as a Fellow shall be considered as the start of the Fellow's years of service.
4. ASRC Board of Directors members who are not members of a Group shall be considered for Years-of-Service Awards as if the board member were an ASRC member. The year of election as a board member shall be considered as the start of the board member's years of service.

5. Those who have terms as a member or as a non-member Fellow or non-member Board of Directors member shall have their terms of years as member and as non-member Fellow and as a non-member member of the Board of Directors totaled separately and added by simple integral addition.

### C. DETERMINING ELIGIBILITY

1. A month or two prior to each ASRC General Membership Meeting, the Secretary shall notify the ASRC representatives of the Groups, and the Group Chair of record, to solicit the names of those eligible for Years-of-Service Awards and their years of service.
2. Groups shall be responsible for forwarding member eligibility information to the Secretary.
3. For ASRC Fellows or members of the ASRC Board of Directors who are not members of a Group, the Secretary shall assess eligibility.

### D. AWARD

Each member or Fellow or Board of Directors member receiving a Years-of-Service Award shall be provided with a certificate from the Secretary of the ASRC including: the full name of the ASRC, the ASRC logo, the name of the member or Fellow, the date of the award, and the signature of the Chair of the ASRC. The format of the award certificate is specified in the Branding Manual.

### E. RECORDS

For the minutes of each ASRC General Membership Meeting, the Secretary shall attach an addendum listing the names of those receiving a Years-of-Service Award and the number of years of service for which the award is given.

## VII. ASRC Outstanding Achievement Award

### A. RATIONALE

For those who have provided exceptional service over a long period, we have ASRC Fellowship. For persistence in the face of the challenges of staying active in search and rescue, we have the Years-of-Service award. But some intensive service, irrespective of the years of the member's service, deserves to be specifically rewarded.

### B. NOMINATION

Any ASRC member, Fellow or Board of Directors member may recommend that the Board of Directors award an Outstanding Achievement Award to a particular member, Fellow or Board of Directors member.

### C. PROCESS

1. The Board of Directors may issue an Outstanding Achievement Award to any member, Fellow or non-member Board of Directors member.
2. It is up to the Board of Directors to determine who should receive such an award, and such an award shall be conferred by a majority vote of the Board of Directors.
3. There is no schedule for the Board of Directors to issue Outstanding Achievement Awards; for example, it is not a yearly award. The Board of Directors may issue as many or as few as it desires.

### D. CRITERIA

The Board of Directors shall consider Outstanding Achievement Awards for those who have performed exceptional service to the Appalachian Search and Rescue Conference or the greater search and rescue community, or advanced the art and science of search and rescue. Simply having served as an officer or committee chair or member of the Board of Directors is not sufficient for an Outstanding Achievement Award. Examples include but are not limited to:

1. providing major logistical support for ASRC activities on a regular basis,
2. advancing the art and science of search management, rescue or wilderness medicine,

3. providing exceptional search and rescue related education to ASRC members and others,
4. exceptional service as an ASRC officer, committee chair or member of the Board of Directors, both in terms of activity and in terms of length of service, or
5. sustained attendance at trainings and missions, both in the field and in Base, with demonstrated excellence that serves as an example to others.

### E. AWARD

Each member, Fellow or non-member Board of Directors member receiving a Outstanding Achievement Award shall be provided with a certificate from the Secretary of the ASRC including: the full name of the ASRC, the ASRC logo, the name of the member or Fellow, the date of the award, the achievements for which the award was granted and the signature of the Chair of the ASRC. The format of the award is specified in the Branding Manual.

### F. RECORDS

The Secretary shall list, in the minutes of the Board of Directors meeting, the names of those receiving a Outstanding Achievement Award and the achievement(s) for which the award is given.

## VIII. ASRC Fellowship

### A. MISSION AND CORE VALUES

1. **Mission:** The mission of the ASRC is to locate the lost person efficiently by enabling its member teams to provide the best search and rescue services possible to responsible agencies.
2. **Core Values:** We expect honesty, integrity and true professionalism in everything we do.
  - a. We value member teams who show commitment, through their training, actions, and leadership, to the health and safety of all persons engaged in a mission or training exercise.
  - b. We value the fundamental principles and skills of search and rescue as the cornerstone for our member teams to be high quality resources for responsible authorities.
  - c. We value technology leadership and practice innovation as the foundations to advancing the state-of-the-art of search and rescue in our region.
  - d. We value search management excellence, with search managers embracing the critically important practices of safe incident operations, quality service to the responsible authority, best practice implementation, and an awareness of risk management.
  - e. We expect teamwork and goodwill among all member teams, regardless of location or practice specialty.

### B. CRITERIA

The honorific title of Fellow of the Appalachian Search and Rescue Conference may be given to individuals who, through their actions, demonstrate, to the highest levels, these core values.

To be considered for this honor, the individual must:

1. Have been an active member of the ASRC for at least 10 years.

2. Have been certified at a level of ASRC Field Team Leader or above.
3. Have exhibited extensive active involvement in lost person search and rescue beyond that of their home search and rescue organization.
4. Have extensive involvement in the teaching of the art of search and rescue.
5. Have advanced the art of search and rescue in one or more of:
  - a. search or rescue technology,
  - b. search management,
  - c. search or rescue theory,
  - d. search or rescue practice, or
  - e. wilderness medicine.

### C. NOMINATION AND CONFIRMATION

1. Nominations for Fellow of the ASRC may be made by any member of an ASRC team in good standing. Nominations shall be provided, in writing, to the Secretary of the ASRC. Documentation associated with such nominations should include a narrative detailing the ways in which the nominee meets each of the stated requirements.
2. The Secretary of the ASRC shall provide to all group representatives the documentation submitted in support of the nominee. The ASRC Board of Directors shall have 60 days for clarification of the supplied documentation and for consultation with their ASRC group. The ASRC Board of Directors shall vote on bestowing the title on the nominee with a super majority of three fifths or sixty percent.
3. Confirmed Fellows of the ASRC shall be provided with a certificate from the Secretary of the ASRC including: the full name of the ASRC, the ASRC logo, the name of the Fellow, the date of the fellowship vote, and the signature of the Chair of the ASRC. The format of the award certificate is specified in the Branding Manual.

## IX. Discipline with Due Process

### A. BACKGROUND

Due process of law long has been an important feature of Anglo-American law. The fifth and fourteenth amendments to the US Constitution enshrined this principle, saying that no person may be deprived of life, liberty or property without due process of law.

In the US, the Supreme Court has outlined four aspects of due process:

1. **Procedural due process** means that the government has to follow fair procedures before depriving a person of life, liberty or property. One example is getting notice of the charges being levied against you. Another is having an opportunity to rebut those charges. A third is having some sort of neutral decision maker to hear the charges and make whatever ruling is appropriate.
2. **Substantive due process** allows courts to protect certain fundamental rights from government interference, even if procedural protections are present or the rights are not specifically mentioned elsewhere in the US Constitution.
3. **Vague laws** are prohibited.
4. **Incorporation**, which in this context means that courts have applied portions of the U.S. Bill of Rights, not only to the Federal government, but also to the states, but not to organizations such as the ASRC. However, it is reasonable for us to look to these principles and to incorporate those we think appropriate into our policy. If an internal ASRC dispute reaches a court, the court will look most closely at whether we followed our own policies in that particular case.

Other US legal principles, such as the presumption of innocence and a trial by a jury of peers, also figure into some organizations' disciplinary policies.

In standard legal usage and in this document, "written" includes information that is typed or emailed.

### B. POLICIES AND PROCEDURES

While representing themselves as members of the ASRC, individual members and Groups are expected to follow the policies and procedures set forth in the ASRC's governing documents. Individual members or Groups who violate these policies and procedures may

face disciplinary action. In all cases, where complaints are made against a member or a Group, the following process shall be used.

### C. FILING A COMPLAINT

ASRC members or Groups who become aware of a potential violation of Conference policies and procedures by an individual ASRC member or ASRC Group may file a complaint. Disputes and complaints should be resolved at the lowest level possible. If a dispute is between members of the same Group, the complaint should be filed within the Group Chair using the Group's disciplinary process. If the complainant or the accused believes the complaint has been inadequately addressed by the Group's disciplinary process, either Group member may then file the complaint with the ASRC. However, intra-Group complaints should be addressed within the Group first.

Non-ASRC members and teams may also file a complaint against an individual ASRC member or ASRC Group. An individual, Group or outside team making a complaint is expected to document the details of the alleged violation, for example, statements of witnesses specifically identifying time, place, and substance of material false statements by the alleged violator.

1. Nothing in this section shall be construed to prohibit the informal counseling of an individual ASRC member or ASRC Group by an authoritative representative of the Conference in reference to minor infractions of policy or procedure, and this counseling shall not result in disciplinary action.
2. Complaints must be brought to the Group Chair or ASRC Chair. Complaints must be in writing, and must be filed within 60 days of the discovery of the alleged offense or the complaint shall not be accepted.
3. Complainants do not need to have witnesses or other external evidence; an individual's testimony is adequate if documented in reasonable detail in writing.

### D. INVESTIGATION

1. Nothing in this Administrative Manual shall be interpreted as to prevent the Board of Directors from, on its own initiative, requesting information about a potential violation of ASRC policies, discussing the

- issues or opening a formal investigation, as determined to be appropriate by the Board of Directors. The Board of Directors may also accept a complaint filed more than 60 days after the reported action. This is true even if the information comes from a complaint that has been dismissed with prejudice. It is particularly true for certain protected classes of complaint, such as sexual, racial, or other illegal harassment, financial misconduct, or situations where the safety of ASRC members or the public may be endangered, and when the Board of Directors should begin gathering information without a formal complaint having been filed.
2. Upon receipt of an adequately supported written complaint from a Group Chair or officer of a non-ASRC organization, an individual ASRC member or other individual, the ASRC Chair shall, within 30 days of receipt, appoint an investigator who was not involved in the incident. The investigator, when questioning the subject individual(s), shall provide written notice in sufficient detail as to the nature of the investigation, conduct the inquiry at a reasonable time of day, interview for a reasonable duration, give the individual(s) periods for rest and personal necessities, and shall not use offensive language or offer any incentive as an inducement to answer any questions.
  3. At the time the investigator is appointed, the Chair shall ensure that the investigator is provided with written guidance regarding required investigative steps and time lines. Such guidance shall include without limitation a requirement to provide a written update to the Chair at appropriate intervals, which shall be not less than monthly. Updates will be considered timely if provided within two business days of a due date; failure to provide more than one update timely may result in removal of the investigator and censure or other disciplinary measures. Parties involved in the investigation may request updates from the Chair in writing including by email; the Chair shall respond to such a request within one week from the date the request is received.
  4. No formal investigation may be opened unless the relevant parties are provided with a written (with receipt confirmed) explanation of the basis for investigations inquiring into those parties' actions. If an investigation arises from a filed complaint, or a portion thereof, the parties shall be provided with a copy of such complaint or portion thereof. The appointed investigator shall not conduct interviews before such documents are provided to the parties.
  5. If a recording of any interview is made, and if a transcript of such inquiry is made, the subject individual(s) or Group and interviewee shall be entitled to a copy without charge.
  6. The investigator shall interview the subject individual(s) and the complainant, and collect pertinent information from others. The investigator shall make a preliminary assessment whether the available evidence supports proceeding with a formal investigation or whether the complaint should be dismissed, and shall forward this recommendation to the ASRC Chair.
  7. In evaluating the investigator's report, the Chair may make additional investigations; a summary of these investigations shall become part of the Chair's final report.

## E. CHAIR DETERMINATION

The ASRC Chair shall consider the findings and recommendations of the investigator. Based on the investigator's report, and additional investigations by the Chair as appropriate, the Chair shall create a report with findings of fact. Any investigations by the Chair shall be summarized in the Chair's report. The Chair's report shall include a recommendation for one of the four following courses of action (Corrective Actions, Dismissal, Dismissal with Prejudice, or BOD Hearing). The Chair shall communicate this report in writing to the Board of Directors, which shall consider and vote on the determination.

If the Board of Directors does not vote affirmatively on the Chair's recommendation for a course of action, either as presented or as modified by the Board of Directors, or if the Chair recommends other than concluding the investigation, then the Board of Directors shall determine an alternative disposition for the matter.

## F. CORRECTIVE ACTIONS

If, after review of the Chair's report, the Board of Directors determines that further action, including without limitation a hearing in front of the Board of Directors, is not useful or appropriate, and that the more severe penalties listed below (probation, letter of

censure, suspension, or expulsion from the ASRC) are not warranted, this shall conclude the investigation and shall be final and dispositive for this particular matter.

### G. DISMISSAL

A formal complaint filed with the ASRC Chair, or portions of such a complaint, that the Board of Directors determines are insufficiently substantiated by the evidence presented, may be dismissed without prejudice. The complaint may be re-filed at a later date if the complainant discovers or is able to provide additional evidence.

### H. DISMISSAL WITH PREJUDICE

A formal complaint filed with the ASRC Chair, or portions of such a complaint, that the Board of Directors determines is insufficiently substantiated by the evidence presented and it is unlikely that any additional evidence will be forthcoming, may be dismissed; only a second complaint from the same complainant about the same individual or Group, about the same or a similar matter, may be dismissed with prejudice. Dismissal with prejudice means the complaint may not be refiled, regardless of any additional supporting evidence.

This dismissal shall not pertain to allegations of harassment based on a legally protected category, physical violence or threats of physical violence, and more generally, any allegations or actions that might trigger the Board's fiduciary duty to investigate.

Dismissal with prejudice is designed to prevent repeated unsubstantiated complaints of serious misconduct against others. Therefore, it requires not a simple majority vote of the Board of Directors but a 2/3 majority vote.

Any individual or Group that files a second complaint that is dismissed with prejudice, whether relating to the first complaint or not, may be subject to censure or other disciplinary action.

Dismissal with prejudice does not prevent the Chair from accepting a complaint from an individual ASRC member or Group about a different issue.

Dismissal with prejudice does not prevent the Board of Directors from soliciting or hearing additional information about an issue related to a complaint that was dismissed with prejudice, as described in section B on page 24.

## I. BOD HEARING

If the ASRC Board of Directors determines it is necessary and appropriate to hold a formal hearing, the following procedures will occur:

1. The ASRC Chair shall notify the subject individual(s) or Group(s) (in this section, "individual" shall include Group) in writing of the time and place of the Hearing. The notice will include:
  - a. details of the allegations filed against the accused person,
  - b. who presented the allegations, and
  - c. the evidence against the subject individual(s) in the form of documents and identification of witnesses
2. The Hearing may be held no sooner than 7 days and no later than 62 days from the date of receipt by the subject individual(s) of written notification. The ASRC Chair or Board of Directors may make an exception to these time limits.
3. The ASRC Chair shall call the Hearing to order and preside over the hearing. If the Chair is the subject individual, the complainant, or a witness the ASRC Vice Chair will preside. If both Officers are involved, the Board of Directors will appoint a member of the ASRC Board of Directors to preside.
4. Disciplinary Hearings will be closed meetings. The accused individual(s) may elect to hold an open Hearing. The presiding officer, on his own motion or at the direction of the Board of Directors, may close a portion of an open Hearing in order to protect confidential or sensitive information, the safety or privacy of an individual, or as otherwise necessary. The subject individual may appeal an order of closure to the Board of Directors for a written determination and the Hearing will be stayed pending the Board's determination.
5. The subject individual(s) may choose an advisor to be present, and may consult with the advisor during the Hearing. The advisor may participate in the Hearing. The subject individual(s) shall be given the opportunity to hear all evidence presented and cross-examine all witnesses who testify. The accused individual(s) may present witnesses and evidence.

The subject may remain silent when questioned, but the Board of Directors may take a negative inference from such silence.

6. Hearings shall be flexible enough not to restrict the gathering of all facts related to the Hearing and may use the following format.
  - a. **Opening Statement by the Hearing Chair** – which may include general welcome, introduction of the principles in the case, brief summary of the allegations, a review of the format for the hearing, and how the final decision will be reached.
  - b. **Presentation by the Investigator of the Allegations and Evidence** – Presentation and questioning of witnesses by the investigator. Members of the Board of Directors may raise questions at any time during presentations by the investigator, subject individual(s), or witnesses. The subject individual(s) or advisor may ask any witness questions at the conclusion of their testimony with the investigator.
  - c. **Presentation of Evidence and Testimony** – by the accused individual(s) (or advisor), including witnesses. The Board of Directors may ask questions at any time during presentations by the subject individual(s) or their witnesses.
  - d. **Closing statement** – by the investigator.
  - e. **Closing statement** – by the subject individual(s) or advisor. The presiding officer may permit closing statements to be provided after the Hearing in writing.

## J. DELIBERATIONS

After the Hearing concludes, the Board of Directors will then go into a closed session. During the closed session, only Board members may be present.

1. If the Board of Directors believes that additional testimony or additional questions of the subject individual(s), complainant, investigator, or a witness is required, the Board of Directors may reopen the Hearing.
2. While in closed session, the Board of Directors may deliberate freely. For each allegation presented, the Board will determine whether it is supported by substantial evidence. The Board will determine whether the subject individual(s) committed the alleged

violation based on the preponderance of the evidence (more probable than not). Determination will be by a 2/3 majority.

3. Each Board member will have one vote. The Hearing Chair will be allowed to vote, if a member of the Board of Directors.
4. If the subject individual(s), complainant, or the investigator is a member of the Board of Directors they will not be included in deliberations and will not be authorized to vote. Instead, they may choose an individual to serve on the Board for the purposes of the disciplinary hearing. This selected person will be allowed to vote.
5. Minutes of closed sessions of the Board of Directors shall be separate from the general Board of Directors meeting minutes and shall not be stored in the general ASRC Archive, but shall be stored in a secure location only available to Board of Directors members.

## K. PENALTY

If the subject individual is found to have committed the alleged violation(s), the Board of Directors must determine the appropriate penalty. Selection of the penalty will occur by a simple majority vote. The Hearing Chair will not cast a vote except in the need to break a tie vote. The Board of Directors may select from the following penalties.

1. **Probation** – A written warning indicating that the subject individual has been judged to have committed violation of ASRC policies or procedures. Probation shall be for a specified period, not to exceed two years. An individual who has been placed on probation and is found to have committed an additional violation will be required to appear before the Board of Directors for consideration of further action including without limitation expulsion. Upon completion of the probationary period with no other infraction, the record of violation shall be permanently removed from the individual's file.
2. **Letter of Censure** – A letter of censure is a written confirmation that the individual has been judged to have committed a violation of ASRC policies or procedures. A letter of censure becomes a permanent part of the individual's file.

3. **Suspension** – Suspension from Search Activities and/or suspension from the ASRC. Suspension will be imposed for a specified period, not to exceed one year. The period will be set by the Board of Directors. Suspension from the ASRC will preclude the individual from participating in any ASRC missions, events, meetings, or representing themselves as a member of the ASRC during the suspension period.
4. **Expulsion from the ASRC** – This penalty will be imposed when the individual has been judged to have committed a very serious infraction, including a very serious infraction of ASRC policies or procedures, as outlined in the ASRC Bylaws, Article II, Section 7
5. **Other Relevant Sanctions** – In addition to the penalties described above, other sanctions may be imposed, such as, but not limited to; restitution, designated service or special projects, etc.

#### L. INFORMING THE SUBJECT

The subject individual(s) (and the subject member's Group Chairman) will be informed of the Board of Directors determination and penalty decision following deliberations. In all cases, the presiding officer shall prepare a summary document detailing the determination but not details of the deliberations. If the subject has left the Hearing before a decision is reached, the Board of Directors will provide the written determination to the subject within 10 days of having reached a decision.

## X. Electronic Voting

As outlined in the ASRC Articles of Incorporation, Article XI (B), action may be taken without a meeting. Electronic voting is intended primarily for non-controversial issues, but will be used in order to continue to conduct important conference business between formally scheduled Board of Director meetings. The overarching purpose to take action without a meeting will be to timely and effectively conduct the business of the conference.

### A. MOTION

A formal proposal may be initiated by one of the Directors via electronic mail to the current list of the Board of Directors. Another Board Member may second the motion by formally indicating such in a reply to the original, electronic correspondence. Unless otherwise formally specified by the ASRC Chair, the ASRC Chair automatically states the question on the motion.

### B. DISCUSSION/DEBATE PERIOD

Unless otherwise specified or extended by the ASRC Chair, a debate period of 7 calendar days will be allotted to ensure ample time for Board Members to formally debate all facets of the motion. If deemed necessary by the ASRC Chair, or specifically requested by a Board member, a special teleconference may be scheduled to further facilitate effective debate.

### C. PUTTING THE QUESTION

After the 7 calendar day debate period, unless otherwise formally specified by the ASRC Chair, the ASRC Chair shall proceed to put the question in the form of a formal

electronic notification to the current list of Board of Directors that voting will commence. The ASRC Chair may direct the ASRC Secretary to issue this notification.

The electronic notification will include the motion, a summary of debate topics, a current list of ASRC Board of Director Representatives eligible to vote on the matter and any other relevant instruction specific to the vote.

### D. ELECTRONIC RESPONSE INVITATION

The ASRC Secretary, or other designee as directed by the ASRC Chair, shall issue to each of the current ASRC Board of Directors a personalized, electronic ballot link in order to respond to the question and cast their vote.

1. The personalized ballot will contain the Board member name, Group affiliation, date, time and exact wording of the motion. The ballot will also contain the Board member, Group affiliation, date and time of the second.
2. The electronic ballot will allow the ASRC Board Member to respond (a) In Favor of Motion, (b) Opposed to Motion, (c) Abstained from Motion. In order to properly manage and confirm registered responses, the electronic record will also require that the Board Member enter First Name, Last Name, Team Name, Phone Number, Email Address and Home Zip Code.
3. If an electronic form is used, and a Board member is unable to complete the form due to technical difficulties, then an email from the Board member's registered email address, containing all of the above information, is emailed to the Secretary, this shall be an acceptable alternate to the electronic form.
4. The format of the tracking number assigned to each electronic vote will adhere to the following parameters:
  - a. ##-MMYYYY (eg: 01-022010 – First motion of February 2010)
  - b. ## - This is the motion number, sequential starting at 01
  - c. MM – This is the month the motion was made in numerical digits

d. YYYY – This is the year the motion was made in numerical digits

4. A summary of the response statistics and any pertinent details regarding the effect of the vote

## E. RESPONSE PERIOD

The response period will be open until such time as at least 75% of those entitled to vote with respect to subject matter respond to the electronic invitation by formally registering In Favor, Opposed or Abstained or for at least 14 calendar days.

1. The ASRC Secretary will monitor the status of responses and will issue at least one formal reminder at the 7 calendar day mark, addressed personally to those Board Members that have not yet responded to the question. The reminder will contain basic information about the motion and will contain a personalized link for the Board Member to electronically register their response.
2. If 75% of the Board Members do not respond to the electronic invitation within the 14 calendar day response period, the ASRC Chair shall consider it the absence of a quorum. At that time, the ASRC Chair may request that additional electronic or telephonic reminders are issued in order to obtain a quorum or the ASRC Chair may render the question null and void.

## F. VOTING RESULTS

A majority vote in the affirmative adopts any motion brought before the Board of Directors in an electronic vote format, unless otherwise specifically identified under parliamentary law or the rules of the organization.

## G. VOTING SUMMARY

At the conclusion of the 14 calendar day electronic voting period, the ASRC Secretary will provide to the ASRC Chair a summary of all responses to the question and at the direction of the ASRC Chair, the ASRC Secretary will prepare and disseminate a formal electronic notification to the Board of Directors regarding the voting result. The notification may include:

1. Declaration that the motion was adopted or lost
2. Details of the motion and the second
3. Details of the response cast by each of the ASRC Board of Director Representatives

# The ASRC Uniform made simple

version 3.1 3/5/13

Mountain Rescue Association cap (small) patch (MRA Rescue members only) or state SAR council patch (optional)

VA SAR Council Patch

PENNSYLVANIA PSARC Search & Rescue Council

MOUNTAIN RESCUE

ASRC Patch. May add rocker bars for FTM, FTL, Search Manager

Medical patch/rockers (e.g., Wilderness EMT over EMT)

Standard military style white on royal blue name tape, available from many military clothing suppliers such as [uscav.com](http://uscav.com), [1800nametape.com](http://1800nametape.com), [uniformnametape.com](http://uniformnametape.com).  
May be last name or full name. If, for example, if you have a Polish or Ukrainian last name, there may be no choice.  
Best is to fold ends to size the width of pocket.  
It is possible to sew name tapes to Velcro and put Velcro on the uniform.

Group patch. **As with MRA/State patch, may be centered over pocket OR centered over middle half of pocket to keep clear of packstraps.**

The ASRC uniform is really just a uniform shirt. It is a Dickies or similar blue chambray work shirt with certain patches on it. It can be either short or long sleeve. If you want to wear an ASRC patch, it has to be on an official ASRC uniform shirt. You may, if you wish, turn an outer parka or other outer garment into an ASRC uniform garment by placing an ASRC patch on it. However, as with the shirt, the above patches and only the above patches may be worn on it. So, don't wear an ASRC patch on other uniform shirts, and don't wear any patches except for the above on an ASRC uniform shirt or parka.

The ASRC uniform shirt is based on a blue chambray work shirt. (Chambray is fine lightweight fabric woven with white threads across a colored warp.) The preferred source for ASRC uniform shirt is Dickie's. Dickie's blue chambray work shirts are available online at [www.dickies.com](http://www.dickies.com), also at Walmart. Other brands such as Carhartt and Cabelas are acceptable, provided the shirt is of a similar color blue chambray.  
Chambray is made from cotton. If anyone finds a source for a wicking chambray shirt suitable for uniform use, please let everyone in the ASRC know!  
ASRC patches/rockers should be obtained from your Group. Fabric name tapes may be obtained from US Cavalry ([www.uscav.com](http://www.uscav.com)) and a variety of other online suppliers.

# XI. ASRC Uniform and Allowable Use of the ASRC Emblem/Logo

## A. STATEMENT OF INTENT

The ASRC logo is used to meet several objectives. First and foremost, it serves as the organization's primary means of formally identifying the ASRC and its members.

### 1. Use of the ASRC Name, Patch, and Emblem/Logo –

The ASRC name, emblem or logo, whether incorporated in the ASRC patch or in some other form, is the most readily recognized symbol of the organization. Its use on missions or for official business purposes is encouraged. However, general personal use of the name/emblem/logo provides unacceptable opportunity for misrepresentation of the organization. The use of the ASRC name, patch and/or emblem/logo shall be limited to official, ASRC sponsored business (including, but not limited to, training and missions). This in no way prohibits the use of the name, patch or emblem/logo on personal items, provided those items are used solely while engaged in ASRC activities, or if any ASRC identification is removed or concealed when items are used for non-ASRC functions.

### 2. Display of ASRC patches by Non-ASRC

**Organizations** – Non-ASRC organizations/individuals may receive patches for display in patch collections (or other appropriate displays) through request to the ASRC Board of Directors.

## B. THE ASRC UNIFORM

Group members may optionally wear their own standard group uniform. Use of the ASRC uniform is not mandatory.

1. **General** – The ASRC Uniform consists primarily of a standard light blue work shirt with certain specified patches on it: the ASRC patch on the left shoulder, medical patch on the right shoulder, Group patch on the left breast, name on the right breast, and above the name, an optional Mountain Rescue Association or state SAR council patch. (Left and right refer to the left and right of the person wearing the uniform shirt.) No other patches or symbolic devices may be worn on the ASRC uniform shirt.

- a. **T-shirt** – A yellow T-shirt with a black ASRC logo on the left breast, and optionally a large black ASRC logo on the back, may be used. However, the standard blue uniform shirt is preferred wear at the Incident Command Post or Base.

- b. Enforcement of uniform standards shall be the responsibility of the Group Training Officer.

- c. The Vice-Chair of the ASRC Board of Directors shall be responsible for identifying and publishing sources of uniform shirts and patches as well as recommending preferred providers.

### 2. Shirt specification

- a. The ASRC uniform shirt is a light blue shirt, either long-sleeve or short-sleeve. Button-up shirt with collar (blue chambray, technical, or synthetic fabrics are acceptable).

- b. **Left Shoulder** – On the left sleeve, just below the shoulder, shall be a standard ASRC patch. Below the ASRC patch, rockers designating ASRC certification level may be worn, but are not required.

- c. **Right Shoulder** – On the right sleeve, just below the shoulder, shall be a patch or patches indicating the member's medical qualifications, if any. As a general rule, if the member has multiple medical qualifications, the highest qualification shall be represented here. Rocker bars or other qualifying patches (e.g., instructor rocker, EMT or first aid level rocker, or Wilderness EMT patch) may be added.

- d. **Left Breast** – On the left breast may be a Group patch. The Group patch shall be less than 4" in maximum dimension.

- e. **Right Breast** – On the right breast, just above the pocket, shall be one of two name devices, and above this, an optional patch as described below. Groups may specify one of the two name options as required for Group members, and Groups may make policy as far as patches to be worn above the name.

- (1) **Name Option 1** – Plastic Name Plate: A 3/4” by 3” plastic engraved nameplate, white on blue, with the member’s first and last name on top and “Appalachian Search & Rescue” below, may be used.
  - (2) **Name Option 2** – Sewn Name Tape: An Air Force standard white-on-blue sewn name tape, with the member’s name, may be used.
  - (3) **Optional Patch** – Above the name plate or name tape, members may wear, by Group policy, or if no Group policy has been established, by individual option, either a state search and rescue council patch, or for qualified members, a small (“cap”) Mountain Rescue Association patch.
3. **Outer Garments** – There is no requirement for an ASRC uniform outer garment. However, members may place patches as specified for the ASRC uniform, and only such patches, on an outer garment to wear as an ASRC uniform outer garment. For a vest, members should place on the vest only those patches that would be worn on the left and right breast of the member’s uniform shirt. There is no specification for color or material for outer uniform garments.
4. **Pants** – Jeans are not to be worn with the ASRC uniform shirt. Otherwise, there is no specification for pants. For formal occasions, navy blue pants may be worn.

## XII. Proxy Sample

As outlined in the ASRC Articles of Incorporation (Articles X and XI) and Bylaws (Article I, Section 2.10 Proxies) proxies may be executed for both Membership Meetings and Board of Director Meetings by relaying details to the ASRC Secretary in advance of the meeting.

The proxy must specify the effective date, duration of the proxy. The proxy need not state specific issues to be discussed at the meeting. Proxy forms can either be in written form and presented to the Secretary before the meeting commences or may be in email form, in which case the Secretary must have received such form at least 24 hours in advance of the meeting or such other reasonable period that the Secretary will promulgate.
