

ASRC BOARD MEETING/AGM DATES

2012 – 2016

Overview: The ASRC Chair requested input from each ASRC member team through inquiry to the BoD Representatives on June 5, 2012. Representatives were asked to provide details regarding team commitments in order to develop a set schedule for future ASRC BoD and ASRC AGM meetings. Based upon a general assessment of the responses received, the traditional ASRC schedule of the 2nd Saturday of January, April, July and October appears to pose minimal conflict with existing team schedules.
