29 December 2016

SUBJECT: 2017 General Membership (GM) Meeting
Certified Member Proxy Instruction

TO: All ASRC Certified Members

At the 2017 GM Meeting, critical conference business is scheduled to come before the Certified Members of the conference for a vote – including voting in Northwest Pennsylvania K9 Search and Rescue as well as updates to the By-Laws. In order to take action, a quorum of all Certified Members conference-wide must be attainable.

As defined in the ASRC Bylaws (2016), Certified Membership shall be conferred upon applicants who are certified by the Group Training Officer or the ASRC Board of Directors to have satisfied the requirements for such membership.

If you are unable to personally participate in the 2017 GM Meeting, you are hereby requested to formally designate a proxy for the meeting (someone who will be physically present at the meeting on 15 January 2017, to act on your behalf). A sample proxy form is attached for your use, if your Group doesn't have a standard proxy form.

Please relay your completed proxy form to your named proxy for physical relay to the ASRC Secretary as early as possible during the AGM weekend or email your proxy to secretary@asrc.net no later than 12 January 2017.

Your attention to and participation in this process will enable the conference to transact critical business scheduled to occur during the meeting.

Sincerely,

A handwritten signature in blue ink that reads "Michael Hansen".

Michael Hansen
ASRC Chairman
