Andrew,

Enclosed you will find two certificates for Managing Search Operations class, one from DCNR and one from Bucks County Community College. The certificate from Bucks is in error indicating that the class was 16 hours, not the actual 40 hours. Given recent history with Bucks, I have decided to send you the certificate that is in error, rather than trying to get a new certificate out of the College. If this causes problems, please let me know and we'll figure out something to meet your needs.

Thank you for using CDS Outdoor School for your training needs. If there is anything else that I or CDS can do for you, please do not hesitate to contact us.

A handwritten signature in dark ink, appearing to be "D Scelza", with a stylized flourish at the end.
