

## Appalachian Search and Rescue Conference Incident Commander-III Re-certification Requirements

Member's Name Charles (Carl) Werntz, 304-290-2275 cell Member Group MARG

Members should note the date each item is accomplished. Members are responsible for keeping an accurate record of accomplishments. Incident Commander re-certifications must be voted on at an ASRC quarterly board meeting.

The review cycle period shall begin the first January of the year following the IC's initial certification. This recertification process does not preclude an IC-III being brought before the ASRC Board of Directors for review as needed, at any time.

Event	Date	Details
1. Document a total of at least 6 shifts in staff positions; two must be as Incident Commander, on a total of at least three ground SAR incidents for either missing persons or missing aircraft, during the 3 years immediately prior to the date of application for re-certification.
