2317	I	email	<p>Good evening,</p> <p>I want to clarify the status of the current ASRC callout for Hanover County. SMRG holds a direct MOU with VDEM and we have been explicitly asked by VDEM, due to complicated circumstances surrounding the search in Hanover County, to wait until officially requested through VDEM before getting involved. While SMRG is also a member group of the ASRC (which has apparently contacted Hanover County directly to ask that the Hanover County Sheriff request the ASRC directly), SMRG does not believe that it should jeopardize its MOU with VDEM by responding as part of a limited ASRC callout when we know that course of action is in direct contravention of guidance we have received via VDEM.</p> <p>As with any other "on alert" situation, please consider your availability and prepare your gear if you are able to respond, should SMRG be summoned by VDEM.</p> <p>Thank you all!
