Don --

Ahead of a pending vote at this weekend's ASRC Board meeting, can you please verify that Andrew Hower served as Planning Section Chief for the ASRC Full Scale Exercise at the AGM in Maryland in April 2010? I don't need a lengthy letter of recommendation, just a simple confirmation he served in this roll is all that is required under the training standards.

Thank you,
Chris Ruch
ASRC Conference Training Officer

thanks,
Don
