Appalachian Search and Rescue Convergence, Inc.
P.O. Box 2196, Pittsburgh, PA 15230-2196

September 15, 1989

Dear AMRG Member:

The single most important order of business facing the Allegheny Mountain Rescue Group is the task of completing the the state and federal requirements for doing business as a non-profit corporation. We simply must get this work done if we are to move forward.

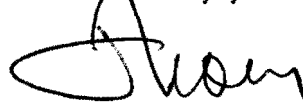

So, please take a few moments of your time to review the enclosed Articles of Incorporation for AMRG. Betty and Keith have invested a good deal of time and energy in bringing these Articles into compliance with the new structures of the Appalachian Search and Rescue Conference and the Mountain Rescue Association.

These Articles were presented at the September 5, 1989 business meeting. In order to assure a minimum of delay in implementing the Articles we will use the following procedure:

- 1) You will have thirty (30) days from today, September 15, 1989, to submit any changes you believe are necessary.**
- 2) If you do not submit any proposed changes in writing to Keith by October 15, 1989, your vote will be counted as an affirmative vote for acceptance of the enclosed Articles as they stand.**

In other words, if you approve of what you read--do nothing. If you believe there is a valid reason for changing the enclosed Articles, notify Keith in writing as soon as possible. Please don't wait until the last moment. We appreciate your prompt attention to this matter.

Sincerely yours,

THOM JONES
Chairman
