SUBJECT: **AMRG Report**

AMRG is just now finishing the steps to become incorporated (another step on the way to tax exemption). We continue to train regularly, but with a mostly informal schedule.

We now have 17 Active Members, 10 Probationary Members, and quite a few Sustaining Members. One of our newest members is an ER doctor, and another is a Pittsburgh Press reporter.

Our next major activity, other than getting tax exempt status, is to increase our local profile with coverage in the press and other PR work. Tom Jones, our new Chairman, is a professional at PR work, which will help immeasurably.

Due to Dave Lindell's unavailability, we will not be holding a WEMT course in November; instead, the next Pennsylvania course will be in March 1989 (the last 2 weekends: students will finish on April 1). The individual WEMT course Lesson Plans should begin going through the Review Board in November.

And that's all for now.
