

AMRG MEETING – 7/10/90

Meeting called to order at 20:11 hrs.

In attendance were: Rich Worst, David Dzierski, Keith Conover, Tom Wilkenson, John Greenaway, David Vint, Owen Gormley, Jane Kuzniewski.

REPORTS

OPS: No report.
COMMO: Still attempting to gain control of radios from John Keal.
Training: FTM training to be held Saturday, August 11 and Sunday, September 9 at 10:00 hrs. at McConnell's Mill State Park.
Orienteering course to be in place by September 1, to be completed by new members at earliest convenience.
Treasury: Thom Jones has secured a \$500 grant from Corporate Jets, Inc. to be used as seed money for further grants. Thom is to approach the Pittsburgh Foundation with request for grants.
Medical: Firm dates for the upcoming ASRC/CEM WEMT classes were announced: November 2-4, and November 16-18; both to be held at Camp Soles in Ligonier, PA.
Planning: No report.
PIO: No report.
MRA: Rocky Mountain MRA was asked to supply us with a copy of their team member requirement standards to be used in testing prospective members of ASRC.
ASRC: Announced possible G-SAR course to be held in late December or early January. Firm dates to be announced at a later time.

OLD BUSINESS

By a motion from Keith Conover, seconded by Dave Greenaway, and carried by majority in attendance, Jane Kuzniewski, Owen Gormley and David Dzierski were voted in as active members. Congratulations!

Keith discussed current condition of SAR in Pennsylvania, and announced that PEMA has agreed to be the official state SAR coordinator. Also, Statcom has accepted the position of official dispatch information center for the state SAR council. By calling 1-800-MED-STAT, reference to the nearest recognized SAR group will be supplied.

Still no idea of when our tax exempt status will be in affect; the paper work is still in progress!!!

Our SOP-training manuals should be complete by next meeting; Jane has agreed to do final assembly and supply the final project. Good luck, Jane!

NEW BUSINESS

Friday, August 3 was announced as the date for AMRG's monthly social meeting to be held at the Thom Jones estate and amusement park.

Project for grant request was decided: communications equipment is the first priority. David Vint is to provide all technical specifications and information. Group to discuss at next meeting.

Meeting was adjourned at 21:21 hrs.
